## SC 630

Sennheiser SC 630 is a premium single-sided wired headset for quality-conscious contact center and office professionals requiring outstanding sound performance.

### Sound leadership

With Sennheiser HD voice clarity and ultra noise-cancelling microphone, SC 630 optimizes speech intelligibility in noisy contact center and office environments.

### Quality design

With a focus on quality materials and durability, SC 630 is built to withstand heavy contact center usage. Stainless steel and brushed aluminum parts with a unibody headband construction create an iconic, high-end design that enhances strength and robustness.

### User focus

Sound enhancement features make conversations crisp and clear, and a leatherette earpad ensures powerful sound and wearing comfort. A metal reinforced headband maintains a perfect fit and is numbered for easy accurate adjustment.

With Sennheiser ActiveGard® for acoustic shock protection, SC 630 is designed to enable quality-conscious professionals to perform at their best, whatever the environment.
