75mm

120mm

Your letterheads will be printed in black and white with this in mind it may look better have your logo and text on a white background and avoid large blocks of colour.

These areas highlight the space in which you can customise your letterhead.

5mm

Our printer does not print to the edge. We therefore recommend that you leave a 5mm border around the outside of your letterhead so this doesn't get cropped off.
