

Stand out from the crowd with the 3CX phone system. **Cost-effective** and **secure**, 3CX is a market leader in capable **PBX management**, with exciting features like video conferencing, live chat, and business SMS capabilities. Make the most of your communication solutions in one **flexible, easy-to-use system**.

With a unique take on simultaneous call pricing, 3CX ensures you only pay for what you need. With a simple **low annual fee**, 3CX licenses are charged based on the size of your system. What's more with a free Startup account for up to 10 users you can compare 3CX's impressive features yourself for **no upfront cost**.

What 3CX offers

- ✓ Low annual license prices start at £1 per user, per month!
- ✓ Free 3CX use for up to 10 users forever with 3CX StartUP & up to 4 simultaneous calls on 3CX Free.
- ✓ Open platform giving you control over your numbers, SIP Trunks, Cloud, and Hardware.
- ✓ Access to advanced customer services such as call queues, IVR (interactive voice response), call reporting, and contact centre, including website customer service chat.
- ✓ Deployable on Linux or Windows with auto-configuration of phones & SIP Trunks as well as automatic updates & upgrades.
- ✓ Mobility to work from anywhere with modern Android & iOS apps.
- ✓ Choice of hosting locations. Whether that be on-premise, in a private cloud, or hosted directly with 3CX.

Where ProVu can fill the gaps

- ✓ Flexible payment options with a credit account. Spread the cost of both your 3CX licences and hardware.
- ✓ Get access to our expert team of 3CX engineers who are on hand to offer pre-sales and post-sale support for both licenses and hardware.
- ✓ UK-based tech support, giving you longer support availability between ProVu & 3CX.
- ✓ Remote installation services to ensure your deployment goes as smoothly as possible.
- ✓ Discounts on Snom & Fanvil Hardware when purchased alongside 3CX licences. Making it easier for you with a one-stop shop solution.
- ✓ Deliver directly to your customers with White-labelled, next-day shipping.
- ✓ Accredited in-person and online Training.

Test 3CX out for Yourself - FREE

Get a **5% discount** on any Snom or Fanvil handsets when purchased with a new or renewed license with ProVu! Find out more about our one-stop shop for 3CX.
